

The Deputy Director of Central Intelligence

Washington, D.C. 20505

83-4302

31 August 1983

NOTE FOR: Deputy Director, ICS

Eloise:

STAT I am somewhat hung up on the rate of pay that you folks have negotiated with In 1978, he was a GS-12 out at NSA and you seem to have disregarded any consideration of what the government would be paying him today, had he remained at NSA. I think not, in light of his record, at a GS-14 step 4 rate.

STAT I would be happy to hear any further justification but certainly not the fact that his present pay in the commercial world is \$21.00 an hour.
